Maria,

You are correct on the potential conflict. Bill said if the Administrator comes in, the meeting will need to be moved, but since her schedule does change, he said for now the meeting is on.

Sue,

Thank you for your patience with these confusing arrangements and I appreciate you clarifying things with Bill.

Jane and Raul, it sounds like we should have our EPA and Corp only meetings on the day before on 4/9.

Sue, not to add to the confusion but Bill had also thought that they may be some schedule constraints for him since the Administrator may be scheduled to come to Region 6 offices on 4/9. Can you help us double check with him?

Raul, please stand by and I will get back to you on Monday (3/30) on finalizing arrangements/agenda for the meeting (s).

Maria,

I spoke to Bill and he said that both Tim Hardy and the Spanish Lake folks will be attending the afternoon meeting with the COE & EPA.

Hi Toni,

I understand that Tim Hardy will only need to attend the morning meeting with Bill Honker on April 9. Thank you so much for your assistance.

Hey Sue,

I sent the meeting invite (from Tim Hardy) for the April 9th meeting to be held at our New Orleans office. Can you please confirm that I had the correct email addresses for the EPA representatives on it. Also, please let me know the details (time/place) of the afternoon meeting with the Corp so that our representatives can put on their schedules. Thank you again for your help!!!

Toni
